

24th. Annual Home Improvement & Building Expo Let Us Help the Old Look New!

The 24th.Annual Home Improvement & Building Expo, is a fundraising event to further the commitment of San Juan County Home Builders, Assoc. to members, to provide a connection to the building industry and the public consumers who are interested in building, remodeling or improving their lifestyle dream home. The SJCHBA Board of Directors invites you to participate in this yearly event on the first week end of March on Saturday the 3rd. 9:00AM-5:00PM. & Sunday 10:00am – 2:00pm

We moved the Home Expo to the San Juan County Fairgrounds Convention Center thirteen years ago and exceeded all expectations in growth and attendance. Our area is the shopping Mecca for the Four Corners so we chose the first weekend of March to assure the public of continuity of the date. The customers know when to plan on coming each year. We plan carefully to provide a trade show with professionals who will help consumers produce a quality living environment and to make it a yearly event to attend.

Sponsorship is your bet for extra advertising and more space. We are offering free booths and extra Space to our top sponsors.

Our media sponsors print your logos on material and you are named in selected spots on radio and TV. The Expo advertising package now exceeds \$50,000.00 from our print, radio and television sponsors. Check your choice of sponsorship on the first page of the contract.

Food and entertainment are certain draws along with an established theme used for competition of decorating your booths. We ask each vendor to donate a door prize and we draw every half hour throughout the show. Volunteer entertainment and volunteers and 4-H Clubs help bring consumers out for fun and a chance to view your products and meet the builders and remodelers.

Do not miss the chance to start your 2018 year off by showcasing your business and products at the terrific event. The San Juan County Home Builders Board needs your commitment to help fulfill our mission to our members and the consumer community.
